

Asialink Arts Residency Program 2017

STATE/TERRITORY ELIGIBILITY GUIDELINES

Asialink's Arts Residency Program is supported by state and territory government art departments. To be eligible for the program, applicants must also meet the 'place of residence' eligibility criteria outlined by their state/territory government art department, as outlined below:

Arts ACT

Based in the ACT at the time of submitting the proposal. Applicants who do not reside in the ACT may be considered where their application strongly demonstrates ACT-based arts practice or activity with significant benefits to the ACT community. In order to establish a current ACT-based arts practice, Arts ACT will consider the extent to which an application is able to demonstrate the following:

- Being recognised as an ACT artist by peers
- Evidence of promoting yourself as an ACT artist
- Regularity of making and/or presenting work in the ACT
- Employment in the ACT arts sector
- Collaboration and active engagement with the ACT arts sector
- Formal training or education in the arts in the ACT

Arts NSW

A NSW resident, defined as being a resident for at least 12 months prior to making an application. Applicants from NSW should note that Arts NSW prioritises applicants from Western Sydney, regional NSW, Aboriginal and Culturally and Linguistically Diverse (CALD). Applicants outside these priority areas are also eligible to apply.

Arts NT

Based in the Northern Territory at the time of submitting the proposal

Arts Queensland

Based in Queensland at the time of submitting the proposal

Arts SA

Live in, or be primarily located, in South Australia

Arts Tasmania

A resident in Tasmania for at least 6 of the past 12 months

Creative Victoria

Based in Victoria at the time of submitting the proposal

Department of Culture and the Arts, Western Australia

A resident who was been living in WA for at least a year at the time of submitting the proposal

Asialink seeks eligibility feedback from the state and territory government art departments during the assessment process. If you have any questions relating to their eligibility criteria, please contact your state/territory funding body for clarification.
